Chairman of the Board, Southwest Physician Associates, Dallas, Texas, 2000-2004

EDUCATIONAL ACTIVITIES

Chairman of Internal Medicine Grand Rounds – 1986 to present
Medical School: Morning Report Leader – 1991, 1992, 1993
Chairman – Program for teaching flexible sigmoidoscopy to Internists and internal medicine residents – 1986

COMMITTEE MEMBERSHIPS

Chairman – Institutional Animal Use and Care Committee 1995 to present
Liver Transplant Selection Committee 1987 to present
Emergency Services Committee 1992 to present
Medical Advisory Committee, Baylor University Medical Center, 1999 to present

PROFESSIONAL MEMBERSHIPS AND SOCIETIES

Crohn's and Colitis Foundation of America
Dallas County Medical Society
Texas Medical Association
Texas Medical Foundation
American Medical Association
Texas Society for Gastroenterology and Endoscopy
American College of Physicians
American Gastroenterological Association
American Society of Transplant Physicians
American College of Gastroenterology

PRESENTATIONS

Balloons, Bubbles, and Tubes – What's New in Gastroenterology – Internal Medicine Ground Rounds 1988

Portal Hypertension – Internal Medicine Grand Rounds 1993

Medical Management of Portal Hypertension – Texas Society for Gastroenterology and Endoscopy Course 1993

Indications and Timing for Liver Transplantation – Baylor Transplantation Symposium 1992, 1993

Liver Transplantation in the 1990's – TMA meeting Corpus Christie, Texas 1989

Urgencies and Emergencies in Gastroenterology at BUMC – Annual Orientation Lecture for incoming housestaff – 1986 to present

Endoscopic Hemostasis – Lecture at the regional SGNA meeting – 1994, 1996

Burning Issues in Gastroesophageal Reflux – Internal Medicine Grand Rounds BUMC – 2000

Obscure Gastrointestinal Hemorrhage – Capsule Endoscopy Internal Medicine Grand Rounds - 2002

Capsule Endoscopy Course Director, May 14-15, 2003. Orlando, Florida

Faculty, Enteroscopy in the 21st Century—ASGE Course, Chicago, Illinois, Oct 2007

CLINICAL PRACTICE, INTERESTS AND ACCOMPLISHMENTS

Private practice of gastroenterology, Baylor University Medical Center, Dallas, 1985 to present

Daily instruction and supervision of the Gastroenterology Fellows at Baylor University Medical Center, 1985 to present

Interests include: Advances in liver transplantation, Small bowel transplantation, Development of new percutaneous gastrostomy tubes, Capsule Endoscopy, Endoscopic Anti-reflux Procedures and methods to control gastrointestinal hemorrhage

Recent Accomplishments:

The completion of study in and the use of endoscopic ultrasonography.

Contributor and reviewer of questions for American Board of Internal Medicine Recertification Exam.

Research interests and activities include: Use of an animal model for small bowel transplantation and use of an animal model for testing new hemostatic devices as well as percutaneous gastrostomy tubes.

Research Grants

Co-Investigator – Helicobacter Pylori Eradication and Recurrence of Hemorrhage Due to Gastric or Duodenal Ulcer – NIH.

Co-Investigator – RESTORE Trial, 2006

Use of prototype gastrostomy tubes in pigs. Finished 1995

Use of disposable sheathed colonoscope. Finished 1993

Use of disposable sheathed upper endoscope. Finished 1993

Reviewer—American Journal of Gastroenterology
Gastrointestinal Endoscopy

Pilot, General Aviation, Instrument rated, 2004 to present

CIVIC ACTIVITIES

Memberships:
KERA-PBS Channel 13 – sustaining
